Request to Record at Library Meeting

Members of the public wishing to make audio or video recordings during a meeting are required to complete and submit this "Request to Record at Meeting" form to the Presiding Officer prior to the beginning of the meeting at which he or she wishes to record.

Recording must not obstruct the view of attendees or otherwise interfere with the meeting.

If the Presiding Officer determines the recording is interfering with the meeting, the Presiding Officer may ask a person to suspend their recording.

Thank you for your interest in the Morrison-Talbott Library and its proceedings.
