

Morrison-Talbot Library's Community Scavenger Hunt

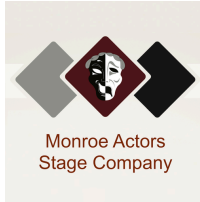

The scavenger hunt will run from June 2 - August 2, so there is plenty of time to complete and turn it back in at Morrison-Talbot Library. **Once you're at each location, you will look for our summer reading logo hidden somewhere, hanging in their windows or doors.** It should be accessible from the outside, you don't have to go in unless you want to of course! There will be a unique code word for each location and you **only need to find a minimum of 12 code words. For completing it, you will get to choose a small prize and also get entered into a drawing for gift cards for \$25 to Happy Hour, \$20 to Oh Sugar!, \$20 to Salt & Honey, and \$20 to Family Kitchen.** Also, thank you to these locations for participating, they are some of our summer reading program sponsors, who have donated prizes and funds to support our program! There is an example in the first box below of what you will be looking for. We hope you have fun exploring!
